QUESTION

Shall the City of Lee's Summit, Missouri impose a local use tax at the same rate as the total local sales tax rate, currently 2.25%, provided that if the local sales tax rate is reduced or raised by voter approval, the local use tax rate shall also be reduced or raised by the same action? A use tax return shall not be required to be filed by persons whose purchases from out-of-state vendors do not in total exceed two thousand dollars in any calendar year.

If this question is approved, the City of Lee's Summit would begin collecting a use tax from sales made to Lee's Summit buyers by online and out-of-state vendors that are not currently taxed. The funds derived from the use tax will fund municipal costs and expenses, including police and fire safety, transportation and other capital improvements, and parks and recreation.
